

Due to restrictions, we have had to suspend our drop-ins meantime, but will resume as soon as we are permitted.

Meantime we have begun **Friendly Fresh Start**, a project by which we provide essential household items for people moving from temporary furnished accommodation to a tenancy. Due to circumstances, many individuals and families find themselves unable to provide even basic items such as cutlery, pots and pans or a kettle. Most of what we provide has been donated by members of local congregations.

If your members would like to help, we are always grateful for the following:

- Non-perishable food
- Toiletries, especially men's essentials
- Any unwanted cutlery, crockery, pots and pans
- Cleaning items, such as surface cleaner, sponges, washing up liquid
- Duvets and pillows (we have plenty sheets and duvet covers)

Strong carrier bags.

Unfortunately we are unable to accept electrical items, unless they are new.

Donations can be delivered to our new premises, **32B Grange Street Kilmarnock KA1 2DD** on Monday and Wednesday mornings between 9.30 and 12noon. Alternatively please phone or email to arrange a suitable time.

Sincere thanks for all your support. We could not manage without the generosity of the churches. Churches working together for the benefit of the community.
